

SAFETY DATA SHEET

according to 1907/2006/EC, Article 31

Issue date: 23/07/2023

1. Identification of the substance or mixture and of the supplier

Product identifiers:

Trade name: Net Glue

Relevant identified uses of the substance or mixture and uses advised against:

Relevant identified uses: Glue

Details of the supplier of the safety data sheet:

Manufacturer/Supplier: Luxembourg Industries Ltd.
27 Hamered St. Tel Aviv 6812509
ISRAEL Tel: +972 3 796 4300

Emergency phone number: +972 3 796 4300

2. Hazards identification

Classification of the substance or mixture

Classification of the product according to Regulation (EC) No. 1272/2008.

This Product is not considered as hazardous according to regulation.

Label elements:

Labelling according to Regulation (EC) No 1272/2008 (CLP)

Signal word: Warning

Hazard statement (s):

EUH208 Contains reaction mass of 5-chloro-2-methyl-4-isothiazolin-3-one [EC no. 247-500-7] and 2-methyl-2H-isothiazol-3-one [EC no. 220-239-6] (3:1). May produce an allergic reaction.

Precautionary statement(s):

P201 Obtain special instructions before use.
P202 Do not handle until all safety precautions have been read and understood.
P280 Wear protective gloves/ protective clothing/ eye protection/ face protection.
P308+P313 IF exposed or concerned: Get medical advice/attention.

Other hazards

This substance/mixture contains no components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB) at levels of 0.1% or higher.

Net Glue SDS-CLP

3. Composition/information on ingredients

Mixtures:

Component	CAS No	Content (w/w):	Classification
5-chloro-2-methyl-4-isothiazolin-3-one and 2-methyl-2H-isothiazol-3-one	55965-84-9	<0.5%	EUH208

For the full text of the H-Statements mentioned in this Section, see Section 16.

4. First aid measures

Description of first aid measures

General advice

No special measures required. Take affected persons out into the fresh air and remove contaminated clothing.

If inhaled

Keep patient calm, remove to fresh air. If breathing difficulties develop, aid in breathing and seek immediate medical attention. In case of unconsciousness, place patient stably in side position for transportation. Seek medical treatment in any case of complaints.

In case of skin contact

Take off contaminated clothing. Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical advice/attention.

In case of eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention

If swallowed

DO NOT induce vomiting. Rinse mouth immediately. Call a POISON CENTER or doctor/physician if you feel unwell.

Most important symptoms and effects, both acute and delayed:

May produce an allergic reaction.

Indication of any immediate medical attention and special treatment needed.

Not available.

5. Fire-fighting measures

Extinguishing media

Suitable extinguishing media: CO₂, dry powder or water spray. Fight larger fires with water spray or alcohol resistant foam.

Special hazards arising from the substance or mixture

Not available.

Advice for firefighters

Firefighters should be equipped with protective clothes and self-contained breathing apparatus.

Further information

Dispose of fire debris and contaminated extinguishing water in accordance with official regulations.

6. Accidental release measures**Personal precautions, protective equipment and emergency procedures**

Wear suitable gloves and eye/face protection.

Environmental precautions

Discharge into the environment must be avoided. Do not flush into surface water or sanitary sewer system.

Methods and materials for containment and cleaning up

Caution - spillages may be slippery. Adsorb spillages onto sand, earth, or any suitable adsorbent material. Transfer to a container for disposal or recovery.

Reference to other sections

For respiratory protection, see also section 8. For disposal precautions, see also section 13.

7. Handling and storage**Precautions for safe handling**

Avoid contact with skin and eyes. Ensure thorough ventilation of stores and work areas. Ensure adequate emergency eye washing facilities. Do not allow to enter drains, sewers, or watercourses.

Conditions for safe storage, including any incompatibilities

Store in original container. Containers should be stored and tightly sealed in a cool, dry place. Avoid temperatures lower than 5°C.

Specific end use(s)

None.

8. Exposure controls / Personal protection

Occupational exposure limits: Not listed

Exposure controls**Appropriate engineering controls**

Provide local exhaust ventilation to control vapors/mists.

Personal protective equipment

Handle in accordance with good industrial hygiene and safety practice. Avoid contact with the skin, eyes and clothing.

Eye/face protection

Wear safety goggles with side-shields.

Skin protection

Wear Nitrile rubber gloves. Wear chemical resistant protective gloves.

Body Protection

Body protection must be chosen based on level of activity and exposure. Prevent contact with contaminated clothing.

Respiratory protection

Not available.

Control of environmental exposure

No Data.

9. Physical and chemical properties

Appearance:	Paste
Colour:	Light gray
Odour:	Non specified
Odour threshold:	No data
pH-value:	6.5-7.5
Melting point/freezing point:	No data
Boiling point:	No data
Evaporation rate:	No data
Flash point:	Not relevant
Flammability:	Not flammable
Upper/lower flammability or explosive limits:	Upper explosion limit: Not Relevant Lower explosion limit: Not Relevant
Vapour pressure:	Not relevant
Vapour density:	No data
Relative density:	1.2-1.3 gr/cc
Non volatiles contain:	68.5%
Solubility in water:	Miscible at any ratio
Partition coefficient n-octanol/water:	No data
Auto ignition temperature:	Not relevant
Decomposition temperature:	Not relevant
Viscosity:	4500-6000 [CPs]
Explosive properties:	No data
Oxidizing properties:	No data

Other safety information

No data

10. Stability and reactivity

Reactivity

No data.

Chemical stability

No data.

Possibility of hazardous reactions

No data.

Conditions to avoid

No data.

Incompatible materials

No data.

Hazardous decomposition products

No data.

11. Toxicological information

Acute toxicity	No data.
Skin corrosion/irritation	No data.
Serious eye damage/irritation	No data.
Respiratory or skin sensitization	No data.
Germ cell mutagenicity	No data.
Carcinogenicity	No data.
Reproductive toxicity	No data.
Specific target organ toxicity	
- single exposure	No data.
- repeated exposure	No data.
Aspiration hazard	No data.
Additional Information	No data.

12. Ecological information

Toxicity:	No data.
Persistence and degradability:	No data.
Bioaccumulative potential:	No data.
Mobility in soil:	Limited mobility.
Results of PBT and vPvB assessment:	No data.
Endocrine disrupting properties:	No data.
Other adverse effects:	No data.

13. Disposal considerations

Waste treatment methods

Product

Must not be disposed of together with household garbage. Do not allow product to reach sewage system.

Contaminated packaging

Dispose of in a licensed facility according to official regulations. Recommend crushing, puncturing or other means to prevent unauthorized use of used containers.

14. Transport information

Not regulated for transportation

UN number: No data

UN proper shipping name: No data

Transport hazard class(es): No data

Packaging group: No data

Environmental hazards: No data

Special precautions for user: No data

Maritime transport in bulk according to IMO instruments: Not intended to be bulk transported.

15. Regulatory information

Safety, health and environmental regulations/legislation specific for the substance or mixture:

No data

Chemical Safety Assessment:

No data

16. Other information

Full text of H-Statements referred to under sections 2 and 3.

EUH208 – Contains reaction mass of 5-chloro-2-methyl-4-isothiazolin-3-one [EC no. 247-500-7] and 2-methyl-2H-isothiazol-3-one [EC no. 220-239-6] (3:1). May produce an allergic reaction.

Full text of P-phrases referred to under sections 2 and 3.

P201: Obtain special instructions before use.

P202: Do not handle until all safety precautions have been read and understood.

P280: Wear protective gloves/protective clothing/eye protection/face protection.

P308+:P313 IF exposed or concerned: Get medical advice/attention.

The information contained herein is applicable solely to the indicated product, and does not relate to any other use of this product as described. Its use is intended by persons having technical skill and at their own discretion and risk. The information has been developed from sources reliable. This information is furnished without warranty, expressed or implied, including the warranties of merchantability and fitness for a particular purpose is made with respect to the information contained herein.
